

Rejuvi Pore Reduction Treatment

Large skin pores often associated with oily skin result in a rough, coarse and pitted surface. Rejuvi cleverly combines a number of products such as Exfoliating Mask, Peeling Formula, Lightening Treatment, etc., to effectively improve such unsightly skin conditions. This treatment is simple, safe and pragmatic. It can be performed once or twice per week until desired improvements have been obtained.

Treatment products required:

1. Rejuvi Exfoliating Mask
2. Rejuvi Peeling Formula
3. Rejuvi Pre-Peel Solution
4. Rejuvi Lightening Treatment
