

# rejuvi <sup>a</sup>

## *Retinyl Serum*

This product contains highly concentrated Vitamin A Complex which includes retinol (natural vitamin A), retinyl acetate and retinyl palmitate. This unique Vitamin A Complex in serum form with superior skin penetration offers powerful retinoid benefits

**It is the most effective retinoid product available on the market!**

- Promotes collagen synthesis and production of elastin - diminishes wrinkles and makes skin supple & resilient
- Scavenges free radicals more efficiently than vitamin C and vitamin E
- Helps normalize irregular cells and help prevent skin cancer
- The best complement for AHA treatments or AHA products

Use daily or every other day, preferably at night, then apply a compatible Rejuvi cream for skin moisturization. Rejuvi Clearing Toner should be used 1- 2 times per week to reduce possible yellow coloration on the skin. Keep in a cool place and avoid sunlight. Store in refrigerator if not in daily use.

*Amazing results will be obtained within 2 weeks !*
